Subject: Questions and Answers Responses

Q1. On the RFP is stated that the selected cable system installer shall be a factory certified SYSTIMAX Value Added Reseller (VAR) and shall provide a SYSTIMAX end-to-end performance warranty of not less than twenty (20) years". Our team does not have this level of certification with this vendor but have equivalent certification with Belden (<https://www.belden.com/>) and can provide the same level on warranty. Would our proposal be acceptable under these conditions?

Response: Your Company has to be SYSTIMAX Value Added Reseller (VAR) and shall provide a SYSTIMAX end-to-end performance warranty. Please refer to Exhibit 2 for HCC Standards.
