Q1. Can we get copies for the course objectives or the syllabus? Our products are designed to meet individual course requirements. We do not have access to the referenced product specifications and having the course objectives or the syllabus is essential for us to meet the 'similar or equal' referenced in Section 5 below.

5. Scope of Services and Specifications

HCC invites qualified suppliers to submit proposals for the purchase of Chemistry Science Lab Kits. The successful proposer (Contractor) shall be required to furnish all resources, transportation, material, equipment, and supplies necessary and required to supply and deliver (F.O.B Destination, Prepaid and Allowed) Chemistry Science Lab Kits. The Chemistry Science Lab Kits must be similar or equal to the Science Interactive Chemistry Science Lab Kits make and model numbers, as described below, in accordance with the general terms and conditions and requirements set forth in this Solicitation.

**Response:** The syllabi links below have the student learning objectives for Chemistry labs.

When issued, "Questions & Answers" shall automatically become a part of the solicitation documents and shall supersede any previous specification(s) and/or provision(s) in conflict with the Questions & Answers. All revisions, responses, and answers incorporated into the Questions & Answers are collaboratively from both the Procurement Operations and the applicable HCC Department(s). It is the responsibility of the bidder/respondent to ensure that it has obtained all such letter(s). By submitting a bid on this project, bidders/respondents shall be deemed to have received all Questions & Answers and to have incorporated them into this solicitation and resulting proposal response.

Furthermore, it is the responsibility of each Contractor to obtain any previous Questions & Answers associated with this solicitation
